ACCOMMODATION

Accommodation at the Two Rivers is limited and is available on a 'first come first served' basis. There are several B & B residences locally but they tend to change hands and availability frequently, (a more up to date list is attached) but for those prepared to share a room **The Green Man** in Chepstow is well worth a look but is more likely to appeal to the young, free and adventurous so have a look at the website. They have some 30 beds and the rates are outstanding.

There is a list of Accommodation and Taxi Firms at the foot of the Booklet

TRANSPORTATION

There will be **NO** transport this year but attached is a list of local taxi firms.

Evening parking is available in the car park.

SEATING

Before requesting to sit with friends from the same or other groups please ensure that these friends are aware of the request, thus avoiding disappointment should the table become overbooked.

FEEDBACK

The BOBA Executive Committee is committed to providing a sociable and enjoyable Reunion and consequently invites comments, suggestions and constructive criticism regarding any aspect of the event.

It is strongly advised that any issues, good or bad, are brought to the attention of the Reunion Organisers (Stephen Barker & Gary White) as soon as possible as most matters can be resolved satisfactorily immediately.

These lists are correct at the time of publication but there may be changes so PLEASE check yourselves.

Beachley Barracks has changed so much since it was the AAC and much of the place has been demolished and is not a pretty sight. The Rifles are in Cyprus with only a skeleton maintenance team in place at Beachley. Manpower and logistics prevent barrack tours so unfortunately these cannot be requested.

1 Rifles have been, and remain, extremely supportive of BOBA and the Heritage Centre and what we represent.
